

8th Revised Edition

Since the first edition was published in 1988, **THE AIR BRAKE BOOK** from *Commercial Carrier Journal* was established as the complete, up-to-date reference on heavy vehicle air brake systems.

Authored and updated by *CCJ's* staff of award-winning technical writers, this new edition has 12 chapters filled with full-color, magazine-quality illustrations and diagrams. Every page in the new 8th edition has been updated with current information on such topics as:

- Air brake basics
- Stopping faster
- Air disc brakes
- Advanced stopping systems
- Air brake inspection
- CVSA out-of-service criteria
- Automatic brake adjusters
- Brake lining selection
- Brake relining and restoration
- Trouble-shooting brake imbalance
- Resources
- Glossary
